

# Galvanized Boat Trailers

Our premium line of boat trailers are available for boats up to 18,000lbs. Available in bunk or roller configurations, Excalibur builds a trailer for every application. All of our models are Hot Dipped Galvanized and come fully equipped with sealed premium lighting, hwy rated tires and brand name components such as winches, couplers, tires and axle components by top manufacturers such as Fulton, Carlisle, Dexter & more. In addition, our trailers are designed "cradle style" for easier loading / unloading and more stable towing. All our boat trailers are custom sized to fit your boat and constructed of fully welded tube steel (not U channel) & will not rattle apart like bolted trailers. For the best in quality & value, choose Excalibur for all your marine trailer applications.
