

# Snowmobile Trailers

Our complete line of open snowmobile trailers are second to none in the industry. All of our trailers feature full frame designs, Hot Dipped Galvanized finishes (dipped after welding), brand name components such as Fulton couplers, Carlisle tires, Dexter axle components, sealed premium lighting by Optronics and much more. As with all Excalibur Trailers, all electrical connections are soldered and sealed with heat shrink tubing to form a completely sealed electrical system resulting in unsurpassed lighting reliability. All models come complete with a front deflector and a premium ski tie down system.
